If you elect to sell candy, you are **required** to pre-pay the total amount of the candy sale proceeds in advance. You will then reimburse yourself by selling the candy and retaining the proceeds. Since the recent change to the number of bars per box, the candy sale will add \$92.00 to the fees, but each bar is sold for \$1.00 and you will be given 104 bars to sell, netting a return of \$104.00. The additional \$12.00 that you receive by selling candy is considered a reduction in fees and is yours to keep. If selling candy, you **MUST** pick up your candy at our Candy Pick Up Day.

MYAA BASEBALL / SOFTBALL / T-BALL CODE OF CONDUCT & RELEASE AGREEMENT

The Manhattan Youth Athletic Association (MYAA) has established a Code of Conduct based on mutual respect between all individuals including Umpires, Managers, Coaches, Players, Parents/Guardians and spectators. Our goals are to promote the enjoyment of the game, fair play, sportsmanship, tolerance, respect and self-esteem through proper conduct, example and instruction.

The players are boys and girls who are trying to learn the game of baseball and softball while having fun.

Section A: Parents and Spectators

As a parent/guardian you play a special role in contributing to the needs and development of youngsters. Through your encouragement and good example, you can help assure that all boys and girls learn good sportsmanship and self-discipline. As a role model for your children, we ask that parents and spectators:

- Respect and support all umpires, managers, coaches, and players.
- Instill and promote the principals of good sportsmanship and fair play.
- Root for your team not against the opposing team.
- Applaud good plays on both teams.
- Support all efforts to remove verbal and physical abuse from youth athletics.
- Let umpires, managers and coaches do their job. While we can't expect the players to be perfect all the times, neither are the umpires, managers and coaches. Judgment calls are part of the game. Only coaches should question an umpire's call relating to the proper interpretation of the rules. All questions for the managers and coaches should be discussed before or after games.
- Recognize the value and importance of volunteer coaches. Without them, there would be no baseball or softball program.
- Help maintain a clean and safe playing environment.
- Remember that your child wants to have fun.

Following this Code of Conduct will promote a valuable learning experience for your children. Adherence is the responsibility of all participants. Violations will be handled on an individual basis and can include a warning and removal for continued game violations. Multiple games violations will require a season suspension and possible removal of your child from the team roster.

Section B: Players

As a player, your attitude and participation is significant in the learning experience and enjoyment of the game for all players. Under the rules of sportsmanship and fair play, we ask that:

- All players respect the umpires, managers, coaches, parent, spectators and other players.
 - Play fairly and follow the rules of the game.
 - Cooperate with the umpires, managers and coaches.
- Respect the equipment and property provided for the game.
- Cheer to encourage your teammates as well as to recognize good plays on both teams.
 - Let managers and coaches question umpire calls and rule interpretations.
 - Make every attempt to be on time and ready to play for all games and practices.
 - Always hustle and have fun.

RELEASE AGREEMENT

Please read this section carefully and be aware that, in registering yourself or your child/ward for participation in the classes/programs offered through Manhattan Youth Athletic Association you are agreeing to the following:

As a participant, or parent/guardian of a participant in the Manhattan Youth Athletic Association (MYAA), I / We realize and acknowledge that there are certain risks of physical injury associated with t-ball/baseball/softball and I / We agree to assume the risk of injury, damages or loss which may be sustained as a result of any and all activities connected or associated with practices, games and events held by or affiliated with MYAA. I do hereby fully release and discharge MYAA and its coaches, players and other representatives from any and all claims from injuries, damages or loss which may occur to me or my child as a result of participation in any MYAA activity.

I / We give the Manhattan Youth Athletic Association, coaches, or any person appointed by them to supervise the event, permission to obtain a physician to administer emergency medical treatment and if needed, transport my/our child to the nearest treatment facility.
