

Spring 2010 Recreational Baseball/Softball/T-Ball

Faxed In Registration Instructions

Download and completely fill in the registration form. Our preference, for ease of reading the information, is that you fill out the form on your computer and print it out.

Sign the form as necessary. If your form is not signed as needed, registration will not be accepted.

Please be sure that your email address is filled in accurately as payment transactions will be processed using your email address.

Fax your completed form to 708-745-9333.

Once your online form is submitted, one of the MYAA volunteers will process it an email invoice from Google Checkout will be sent to you with instructions on how to complete the registration by paying for it online using your Visa, MasterCard, Discover or American Express Card.

Registrations will not be considered accepted until payment is made in full.

Note that each registration listed includes fees either for a 'Candy Buyout' or for 'Candy Sales'.

If you select the registration item including 'Candy Buyout', you are waiving participation in selling candy. If you select the registration item including 'Candy Sales' you will be participating in our candy sale fundraiser and will need to sell 104 candy bars at \$1.00 each.

Please note that the value of the candy sales will be paid by you in advance, it is then up to you to sell the candy to reimburse yourself.

As an added bonus to everyone who sells candy, the registration fees are reduced by \$12.00 for each child selling candy due to the recent increase in candy box size by Hershey's from the old 40 bar boxes to the current 52 bar boxes.

Once you have finalized payment using the secure Google checkout website, Google Checkout will email you a receipt.

Please note that NO credit card information is transferred, obtained, stored or otherwise accessed by any of the MYAA volunteers. It is a secured transaction between you and Google.
