

Spring 2010 Recreational Baseball/Softball/T-Ball

Online Registration Instructions

Completely fill in the online form. Each required field is marked with asterisks.

You must agree to the 'Code of Conduct and Release Agreement' by checking the 'Yes' box at the bottom. You will not be able to submit your form without checking this box.

Please be sure that your email address is filled in accurately, as confirmation of your registration form submission will be emailed automatically to you at the email address in this field. If you do not receive an email confirmation, please contact us at baseball@manhattanball.com to ensure that your registration form was accepted.

The MYAA will not be responsible for registrations that are not received due to inaccurately filled in online forms.

Once your online form is submitted, you will be taken to our confirmation page that will indicate that your information has been recorded. On this page, please follow the link to our online checkout page to pay for your registration using your Visa, MasterCard, Discover or American Express Card.

Please note that registrations will not be considered accepted until payment is made in full.

From our online checkout page, please select 'Add to Cart' for each child that you had registered. Note that each registration listed includes fees either for a 'Candy Buyout' or for 'Candy Sales'. If you select the registration item including 'Candy Buyout', you are waiving participation in selling candy. If you select the registration item including 'Candy Sales' you will be participating in our candy sale fundraiser and will need to sell 104 candy bars at \$1.00 each. Please note that the value of the candy sales will be paid by you in advance, it is then up to you to sell the candy to reimburse yourself.

As an added bonus to everyone who sells candy, the registration fees are reduced by \$12.00 for each child selling candy due to the recent increase in candy box size by Hershey's from the old 40 bar boxes to the current 52 bar boxes.

Once you have selected all of the items for registration, please finalize the transaction using the 'Checkout' button towards the bottom right of the web page. Clicking this 'Check Out' button will take you to our secure Google checkout payment site where you will enter your credit card information.

Google Checkout will email you a receipt once you complete their credit card transaction.

Please note that NO credit card information is transferred, obtained, stored or otherwise accessed by any of the MYAA volunteers. It is a secured transaction between you and Google.
